

SERVICES FOR ENERGY EFFICIENT HOMES

SUPPORTED BY THE EU LIFE PROGRAM, CREATED AND COORDINATED BY A MACEDONIAN CONSORTIUM, THE OSS HABITAT PROJECT AIMS TO CREATE A SYSTEM OF SEVEN KEY SERVICES THAT WILL HELP APPROXIMATELY 5.000 CITIZENS IMPROVE THE ENERGY EFFICIENCY OF THEIR HOMES.

Completed activities

By 31.12.2025, the project team completed **16 key documents** necessary to create a sustainable system of integrated services for energy-efficient homes. The documents have been prepared with the active involvement of partners from all stakeholders, including citizens who own individual houses and apartments, tenant associations, the business community in the construction sector, energy auditors and experts, national institutions, financial institutions, and the pilot municipalities of Karpoš, Kumanovo, and Kočani.

Five (5) events were held, three of which involved the active participation of partners and stakeholders.

Five (5) residential buildings in the Municipality of Karpoš have been completely reconstructed with energy efficiency measures.
